Dear Beatrice, Chris, Leconie, Rajiv, Ameya, Varun, Jenna, Amit, Jeetu, Nicholas, Amy, Abhishek, Stefanie, Todd, Ann, Shikhar, Mahek, Murali, Traci, Sravanthi, Soham, Murali, Abhinav, Ravi, Dinakar, Phaneendra, and Shikhar,

It is my privilege to be among the first to congratulate you on being named winners of the 2020 Wolters Kluwer Global Innovation Awards with the prestigious Chairman's Award!

In addition to the Enhance the Core, Gamechanger and Internal Process Improvement categories, a new award category was added this year in light of the unprecedented circumstances we've had to navigate in 2020. The Chairman's Award recognizes our colleagues who have delivered impressive results during some of our customer's most daunting challenges brought on by the pandemic. Your ability to serve and support our customers really was deserving of special recognition.

Your innovation made a real, measurable impact on both our customers and our employees, and allowed us to continue to live up to our SOP delivery obligations. And most importantly, your end-to-end touchless SOP processing solution kept our onsite team and SOP processors safe both at the onset and throughout the pandemic. Even though COVID-19 was the catalyst for your innovation, your work will pave the way for future enhancements and continue to help us lead the industry in creating a seamless customer experience. Thank you for your tremendous efforts!

I am proud to have you on the GRC team and I look forward to the continued results that your innovation will drive for our organization. Congratulations again!

Best regards,

Richard Flynn

A message from Andres Sadler

**Chief Executive Officer
Global Business Services**

Dear Colleagues,

It is with great pleasure that I congratulate you on your 2020 Global Innovation Award win for your Service of Process (SOP) intake portal and playbook.

More GIA submissions were received this year than ever before and your project beat out hundreds of others - an incredible honor for your team thanks to your achievements throughout the year.

I was elated to see you win the Chairman's Award, a new category added this year to honor teams for delivering impressive results to some of our customers' most daunting challenges brought on by the pandemic. 2020 truly has been an unprecedented year and I am proud your team was able to deliver enhanced customer solutions while continuing to make things simple, better and efficient across the organization.

Through close collaboration with the GRC CIOx and CT team, you showcased tremendous teamwork and the results were impressive. Your SOP intake portal and ops playbook provided a valuable resource to the business and helped us continuously meet the needs of our customers. Your end-to-end touchless SOP process helped keep on-site employees safe - a true testament to your agility, flexibility and creativity during a challenging time.

Your efforts and innovative spirit will help drive our business forward. I am honored to lead such an incredible team of high-achievers like you who go above and beyond for Wolters Kluwer.

Congratulations on your award win and thank you for your hard work.
